

Wednesday, May 21 , 2008 8:30am – Noon
Mississauga Convention Centre Mississauga, ON

**Crosslinks, along with Juice Inc.,
Focus Workplace Ltd. and Merck Frosst presents:**

Pathways to Business Health **- a symposium on healthy workplaces and engaged employees -**

This half-day event will offer expert advice on how to ensure your company's future success by maintaining your most important asset: your employees. The symposium will address topics related to workplace health with professional advice from the healthcare, training and consulting, research, and business sectors. Topics and keynote speakers include:

- ⇒ ***Juiced to Perform: The Five Drivers of Engagement***
Brady Wilson, Co-founder, Juice Inc.

- ⇒ ***Diabetes 101: The Tip of the Iceberg***
Dr. Alice Yuk-Yan Cheng, MD, FRCPC, Assistant Professor, Department of Medicine,
University of Toronto and Staff Endocrinologist, Credit Valley Hospital

- ⇒ ***Health Risk Screening - An Ounce of Prevention...***
Dr. Douglas Friars, Medical Director, Focus Workplace Ltd.

- ⇒ ***Executive Perspectives and Interactive Discussion***
Kimberly Hogan, VP Human Resources, Christie Digital
Jim Thomson, Director, Human Resources Operations, Ceridian Canada
Catherine Neville, VP, NQI
